

Finding the right care can sometimes feel overwhelming.

Our Care Navigation tool helps cut through the confusion, simplifying your personal healthcare journey.

A tool within the GreenShield+ platform, Care Navigation makes it easy to find, access, and engage with GreenShield Health services and resources based on your unique care needs.

Needs-Based Care Navigation

Whether you're dealing with a chronic condition, need specialized advice, or unsure what your next step should be to find the right care, the Care Navigation tool will help guide you to the right place. Its intuitive interface takes the guesswork out of the experience, providing personalized service and resource recommendations.
