

When mental health support is personal, it's powerful

Exploring your mental health needs with a therapist who understands your lived experience can help you feel seen, heard and supported on your unique mental health journey. Noojimo Health offers you personalized support.

Noojimo Health is the first and only all-Indigenous virtual mental wellness clinic. Its compassionate circle of Indigenous healthcare professionals provides counselling services focusing on early intervention, prevention and mental health education.

Get to know Noojimo

Through our partnership, you have access to:

Getting started

You can easily access Noojimo when you sign into your GreenShield+ account. Simply tap the Noojimo tile to get started.

STEP 1

After filling out an **intake form**, individuals will receive a confirmation email.

STEP 2

Noojimo's Office Auntie will **contact them** to ask a series of questions designed to connect individuals with a health professional who can offer personalized care based on their unique needs.

STEP 3

Once an **individual is matched**, their counselling sessions will begin.

Non-Indigenous registered therapists are available through GreenShield Health. With the help of a personalized therapist matching tool, you can connect with a therapist of your choice.

GreenShield is uniquely structured as a non-profit social enterprise that reinvests its earnings and redeploys its services to support equity-seeking Canadian communities via its social impact initiatives, under GreenShield Cares.

Until June 20th 2025, there is no cost to members or plan sponsors for services provided by Noojimo. Services provided by Noojimo will be paid either through NIHB funding (if applicable) and when not applicable, will be paid by GreenShield Cares. As of July 1st 2025, any services not covered through NIHB funding may be submitted through applicable mental health benefit plans.
