<b>Definition – Dependent Children Over Age 21</b>	<p>Your unmarried child between the age 21-25, if enrolled and in full-time attendance at an accredited college, university or educational institute that is recognized by the Income Tax Act (Canada).*</p> <p>Proof of student status is required on an annual basis.</p> <p>* The definition for a dependent child may differ depending on your OASSIS group plan. Refer to your OASSIS Health and Dental booklet for the definition.</p> <p>Your child (your or your spouse’s natural, legally adopted or stepchildren) must reside with you in a parent-child relationship or be dependent upon you (or both) and not regularly employed. Children who are in full-time attendance at an accredited school do not have to reside with you or attend school in your province. If the school is in another province, you must apply to your provincial health insurance plan for an extension of coverage to ensure your child continues to be covered under a provincial health insurance plan.</p>
